

Transportation For Seniors

Marin County

Marin Senior Transportation Action and Implementation Plan Your Input Requested!

Marin County is planning for the transportation needs of Marin seniors. Please join the Marin County Division of Aging, Marin Transit, and the project consultant team to discuss :

Transportation services and service "gaps" for seniors in Marin County

- Discuss transit, walking, bicycling, and driving issues and opportunities
- Tell us your personal stories – what works well – what doesn't work so well
- Sign up for future focus groups and receive project updates
